¹ National Exchange Carrier Association, Petition for Interim Waiver and Rulemaking, CC Docket No. 98-67 (filed July 22, 2002) (requesting that the Commission grant a two-year waiver of its rules governing the jurisdictional separation of costs for intrastate and interstate TRS calls to the extent necessary to permit compensation from the Interstate TRS Fund to relay service providers for all TRS calls placed from wireless telecommunications devices). The Petition is directed at wireless calls routed through the Public Switched Telephone Network (PSTN), e.g., initiated via a TTY plugged into a wireless telephone, not wireless IP Relay TRS calls.
